STONYHURST

GIVING REPORT

2009-2013

WELCOME

I would like to take this opportunity to thank all those who have generously given to Stonyhurst. We are grateful for the support of the Stonyhurst community which has enabled us to expand, evolve and our pupils to thrive.

Philanthropy has played an important part in the history of Stonyhurst ever since the Weld family gifted the College buildings to the Jesuits in 1809. The Stonyhurst family including former pupils, former parents, current parents, staff, friends, Trusts and Foundations have always offered generous support through the many fundraising campaigns and appeals which have been held.

Stonyhurst has an annual turnover of approximately £11 million and in 2012-13 made a small surplus before depreciation of approximately £100,000 (just under 1% of turnover). However, the College's income (from school fees and trading) is insufficient to fund major renovations or significant building projects, or indeed to extend our bursary programme. That is why we count upon the philanthropic support of the Stonyhurst family.

There are many different ways of supporting Stonyhurst, including offering financial support. Each year, our Annual Fund identifies a number of smaller projects for which we need to raise funds. We are also always seeking support to extend our bursary programme. A donation to Stonyhurst can be in the form of a regular gift each month or a one-off gift. Some people also make a company gift or leave a legacy in their Will in favour of Stonyhurst. Whichever way you have chosen to give to Stonyhurst, the Governors, the staff and I are tremendously grateful for your generosity and support. Thank you.

ANDREW JOHNSON
Headmaster

'Our mission is to make a Stonyhurst education accessible to all who seek it, making the best possible resources available to develop the whole person, whilst removing any financial barriers to entry. To make this a reality we continue to offer financial support where possible.'
